Emission Standards for Area Source Motor Vehicle or Mobile Equipment Surface Coating Operations

For
Existing
Sources

Submittal Date: The "Initial Notification" must be submitted no later than **September 11, 2010.**

[1] **Name of the facility:** East Coast Repairs and Restorations

[2] **Physical location – Street Address:** 1617 Greenleaf Lane
City, State, Zip Code : Wilmington, DE 19805

Address where compliance records are kept, if different than the physical location

Street Address: _____

City, State, Zip Code: _____

[3] **Name of Owner or Operator:** Michael J Cruise
Mailing Address: P.O. Box 442
City, State, Zip Code: Wilmington, DE 19805

[4] **Is the facility subject to Section 15 of Regulation 1138?**

Check appropriate box

Yes ☒ No ☐

[5] **Is the motor vehicle or mobile equipment surface coating operation a new affected source or an existing affected source?**

Check applicable box

☐ New affected source
☒ Existing affected source

[6] **Provide a brief description of the motor vehicle or mobile equipment surface coating operation. The description must include the number of spray booths and preparation stations and the number of painters usually employed at the operation.**

East Coast conducts spray coating operation at its Greenleaf facility. East Coast repairs and refinishes motor vehicles and mobile equipment, all of which are spray painted.

There are two 15 ft x 20 ft x 10 ft high spray booths; both booths have four sides and a roof and are equipped with fume collection system with integral filter housing with multiple removable filter media. Only HVLP spray guns are used at this facility.

Currently, there are 2 painters and there is no plan to add additional painters in the near future.

Regulation 1138 – Section 15

Emission Standards for Area Source Motor Vehicle or Mobile Equipment Surface Coating Operations

For
Existing
Sources

Name of the facility: East Coast Repairs and Restorations

Compliance Status Instructions:

If owner or operator indicated that the motor vehicle or mobile equipment surface coating operation was an existing affected source in Item 5 on page 1, the owner or operator has two options for reporting the compliance status of the affected motor vehicle or mobile equipment surface coating operation.

1. If the affected motor vehicle or mobile equipment surface coating operation is already in compliance with all applicable requirements of Section 15, the owner or operator may check the "Yes" box in Item 7 below and complete the compliance certification in Item 8 below. If the owner or operator elects to follow this option, the owner or operator **does not have to submit** the "Notification of Compliance Status" required under 15.7.2 of Section 15.
2. The owner or operator may check the "No" box in Item 7 below, leaving Item 8 blank. If the owner or operator elects to follow this option, the owner or operator **must submit** the "Notification of Compliance Status" required under 15.7.2 of Section 15 no later than March 11, 2011.

[7] Are the motor vehicle or mobile equipment surface coating operations at the facility already in compliance with all applicable requirements of Section 15?

Check applicable box

☒
☐

Yes and this form also serves as the notification of compliance status

No, but the motor vehicle or mobile equipment surface coating operations will be in compliance by January 10, 2011

[8] Certification of Initial Compliance

- a The owner or operator of the affected motor vehicle or mobile equipment surface coating operations shall certify initial compliance with Section 15 of Regulation 1138 by checking (✓) the following compliance statement.

Certify initial compliance for existing affected motor vehicle or mobile equipment surface coating operations by checking following box

☒

The owner or operator certifies that the affected motor vehicle or mobile equipment surface coating operations are in compliance with all applicable requirements of Section 15 of Regulation 1138.

b I certify that all the information contained in this notification is true, accurate, and complete.
